DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

INCORPORATED

# WEEKLY NEWS BULLETIN

ROOSEVELT ROYALE WEDNESDAYS 12:00 NOON

Iowa  
a place to grow

January 5, 1977

Next Meeting: January 12 at the Roosevelt Royale. Our guest will be Van R. Snyder who is District Engineer for the Iowa Department of Transportation in Cedar Rapids, responsible for the planning, development, and maintenance of Primary Road Systems in our District. His subject will be: "Responsible Reaction To Public Transportation Needs."

Meeting for January 5: Our speaker was Dr. Joe Kasper, Chairman of the Physics Department at Coe College. Dr. Kasper's intriguing subject was "The Kirlian Aura," named after a Russian scientist who was the first to discover and photograph the phenomenon. The aura is rather difficult to describe but briefly speaking is a field of light around images that are photographed under circumstances where extremely high voltage (5000 to 50,000 volts) is used. Dr. Kasper suggested that there is a close connection between the aura and the presence of moisture and salt. Although he left us to draw our own conclusions, he did point out that the phenomenon could be explained in purely physical terms for those who were inclined in that direction.

Welfare Report: Dr. Bob indicated that all Kiwanians are in good condition, however, their shape may be another matter.

## Anniversaries:

Dick Chandler	January 6, 1971
Ken Rudd	January 2, 1952

## Guests:

Father Bernard Collins, Pastor, St. Pius Catholic Church was the guest of Jim Oetken.

Bob Duff was the guest of Ed Colton.

January Board Meeting: It was not last week in spite of the rumors. It will be Tuesday, January 11th. (Let's hope Steve is there so he can explain it all to the hotel).

Bowling Report: 50/50 = 4 out of 8. Where are those shirts?

## Future Meetings:

January 19, Cornell President, Dr. Phillip Secor  
"A Time For Leadership"

January 26, Peter F. Bezanson  
"Cedar Rapid's New Community Center"

Have You Heard? Rumor has it that Bob Dye went ice-fishing while he was in Minnesota recently and came back with 25 pounds of ice. Isn't that the limit?

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

January 12, 1977

Next Meeting: January 19 at the Roosevelt. Our guest will be Philip B. Secor, President of Cornell College. His Subject is "A Time For Leadership". Dr. Secor, who has taught at Duke University and other Colleges as well as serving in administrative positions at other schools before coming to Cornell in 1974, is well qualified to address us on this subject.

Meeting for January 12: Bob Armstrong, who came not to bury but to praise in spite of the eulogy and the funeral stories, introduced Van Synder who have us a very comprehensive view of the work of the Iowa Department of Transportation. High on the Departments list of priorities seems to be an attempt to maintain good lines of communication with the general public. In an attempt to do this the following things are being done.

They have established a number of citizens advisory groups.

They hold open meetings in various locations in the district; calling for citizen input;

They hold a number of informational meetings in areas where projects are being considered.;

They distribute postage-paid mailers calling for additional comments.

Fine Arts Council: Representative Kenneth Kirby encouraged Kiwanians to support fine arts activities in Cedar Rapids and explained the function of the Fine Arts Council. He displayed a painting by Conger Metcalf which will be first prize in a drawing held by the council on February 4th.

Anniversary----Frank Race                      January 12, 1949

Frank is in Florida. That's the only way to celebrate an anniversary.

Guests: The Marion Kiwanis Club was represented by Bob Hess, L. B. DeWees, Ralph Mills, Harry Robson and Larry Hatch.

Bowling: The guys only won 2 out of 8 but Wayne Mead provided a bright spot with a 200 plus game. (It is not true that the shirt worn by one of our visitors from Marion was a sample of the new bowling shirts.)

Olympic Quandry: No, it is nothing like the Decathalon, it was simply a decision not to get involved in the service club Olympics this year. (a move vigorously opposed by one of our "sportier" members. Better luck next year Al).

Notice the new mast head on the paper? Special thanks to Jim Rasley.

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

January 19, 1977

Next Meeting: January 26 at the Roosevelt with Peter F. Bezanson, speaking on the subject, "Cedar Rapids' New Community Center". Mr. Bezanson is president of a number of banking organizations in Cedar Rapids and the surrounding area and serves as Chairman of the Board for a number of corporations. He has done a great deal to promote the Community Center concept as well as other community projects. He is also primarily responsible for the renovation of the Roosevelt Royale Hotel.

Meeting for January 19: Following the invocation by Lee Taylor and the usual sterling performance by Ed Colton and other preliminaries, our January Program Chairman Bob Armstrong introduced (you heard right) Orie Lawrence. After comparing Mr. Armstrong's speaking ability to that of a flowing river (see footnote for details), Orie spent a moment or so reminiscing on his college days and then introduced our guest Dr. Phillip Secor, President of Cornell College, whose first words were "I finally made it".

Dr. Secor's address was excellent in every detail. His subject was "A Time For Leadership". He pointed out that the primary purpose of Cornell was to help young people become leaders. He identified the kind of leadership needed in today's society as having two characteristics: Vision and Courage. Vision is the ability to see long range objectives rather than just the immediate and to pursue it to the end. Courage is the willingness to go against public opinion and opposition.

The number one motive of a real leader is the desire to be of service, a willingness to give one's self away in a genuine concern for others. This, Dr. Secor pointed out, is the only true road to happiness.

Dr. Secor's address was well received and he left us with the feeling that Cornell College was in good hands.

Visitors: John Schultze was the guest of Charlie McIntyre.

Bowling Report: The team won four out of eight points, which isn't half-bad.

Special Contribution: With the support of Kiwanians, \$1.00 per member, your Kiwanis International will continue to support "The Kiwanis International Foundation Hearing Research Project" and other programs which are in keeping with the goals of Kiwanis. Club members contributed \$41.00 at the January 19 meeting and this with an additional \$59.00 from the treasury, will be sent to the International Foundation.

FUTURE PROGRAMS: With Bill Pohorsky as February Program Chairman, we can expect the fine quality of programming to continue. Thanks to Bob Armstrong for the great January meetings.

Your editor

John Little

\*Footnote: The river Nile that is, which according to Orie is "1 inch deep, a mile wide, and heaven knows how long".

WEEKLY  
NEWS  
BULLETIN

January 26, 1977

Next Meeting February 2. Our February Program chairman, Bill Pohorsky is starting out with a bang, rivaling those much touted January meetings of Bob Armstrong's (well deserved). Our guest on the 2nd will be Don Tune, Coe College Basketball coach.

Meeting for January 26 Following a fine Buffet dinner, Jim Oetken led us in two verses of America, with Ed Seger praying. Bob Armstrong then introduced his "senior" partner, Mr. Peter Bezanson, who discussed the new Community Center. He indicated that construction was moving along at a fine pace. Most of the footings are in place and the first above-ground column has been poured. The complex will be ready for use in 1978 with between 15 and 20 conventions already booked for that year. The final facility will include, among other things, a magnificent lobby, a ballroom that will seat 1500 people and a roof-top restaurant.

Charlie Decker who is with the Convention Bureau showed us a outstanding tape-slide presentation of Cedar Rapids which helped all of us appreciate our community even more. Looks like C.R. is well on its way to becoming Convention City, USA.

Visitors: John Arthaud and Laverne Flagel, guests of Jim Oetken.

A warm welcome was also extended to Lieutenant Governor William Simpson and his predecessor Perry Hummel.

Bowling Report: The guys are at it again — winning 6 out of 8 with high game honors going to Al Gravelle (214).

Special Thanks from Brigadier Flowers of the Salvation Army. Kiwanis Bell Ringers brought in \$290.00.

Past President Honored Charlie McIntyre received a plaque in appreciation of his service as president during the past Kiwanis year. A good job, well done Charlie. The Downtown Kiwanis Club thanks you.

DID YOU KNOW? . . . The Downtown Kiwanis Club helps to provide dental and optical care for needy young people on a regular basis. . . and. . . we recently provided the fee for a bus driver to take Senior Citizens to a Cedar Rapids Symphony concert.

BRIGHT FUTURE: Guess we'd all agree that optimism is signing a 40 year mortgage when your 77.

FOR WHAT IT'S WORTH: When in charge, ponder; when in trouble, delegate; when in doubt, mumble.

Your editor,

John Little

WEEKLY  
NEWS  
BULLETIN

February 2, 1977

Next Meeting: February 9. Mayor Don Canney, "The State of the City of Cedar Rapids" -- another top program. How long can February Program Chairman, Bill Pohorsky, keep up at this pace - we'll see. Bring guests, prospective members.

Meeting for February 2: After a second good buffet (can it continue, we hope so) and the usuals, Bill Pohorsky introduced Mr. Don Tune, head Basketball Coach at Coe College. Talk about "track records," Don's overall Clinton High School, Highland Jr. College, and college records equals 222 wins to 81 losses.

Don spoke about the importance of scholarship in the Mid-Conference schools, all small, private, church related, colleges who by agreement don't provide athletic scholarships as such. Their athletes are expected to measure up academically, and they do!

His experience these past two years has been good with the team taking two straight Midwest Conference Championships and playing in NCAA playoffs attests to the team's ability. They were ranked number 1 by NCAA, but graduation came along, the old hands passed on and the youthful sophomores have taken over. Don added the usual coaches lament and optimistic note under such circumstances, "We're building for the future." He noted in response to questions that kids start younger than they used to, have better coaching and the athletes who "make it" condition or train all year. Basketball has gone from a half court game (half defense, half offense) to a full court defense and offense anywhere. Thanks, Don.

No visitors this week!

We Celebrated the Anniversaries of Bill Pohorsky, 2/5/55 and Rich Siewert 2/5/74 (who wasn't there to celebrate with us).

Welfare Report: Doc Rush said all's well, but we later learned Bob Gable is in St. Luke's for surgery - let's let him know we care - cards and visits are in order!

Bowling Report: Our team won one game this week!

Board Meeting: Five more Cedar Rapids School students received glasses and dental care thanks to our gumball program - aren't you glad!

We are sorry to learn of Doug Valentine's resignation due to his growing practice.

Future Programs: 2/16 Eugene Kopecky - Linn County Attorney - All About Jurys.  
2/23 "Downtown Kiwanis on Parade"

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

February 9, 1977

Next Meeting: February 16th our guest will be Linn County Attorney, Mr. Eugene Kopecky. His subject will be: "All About Jurys" -- how they are chosen and how they function. Come and be informed as a citizen of our community.

Meeting for February 9: Following "America" and Bob Dye's invocation, Mayor Don Canney was introduced by Bill Pohorsky. Mayor Canney spoke to us about "The State of the City of Cedar Rapids" and it was obvious that he was a firm believer in the city he represents. He has served as Cedar Rapids' leader for 24 years and considers it the best city in the world!

He pointed out that a number of exciting things have happened in the past 10 years beginning with a demolished inner city in 1966 with a lot of empty spaces. Since that time the Cedar Valley Expressway has become a federally funded interstate, a community center is well on its way, the 5 in 1 highway structure is developing, the Vinton ditch is almost completed and the Kenwood ditch is well on its way. Other things just over the horizon are a Downtown Mall and a regional shopping center.

The mayor foresees steady growth in the future. He expressed a concern not so much with "how large we'll grow", but "how we'll grow large."

He indicated that the real secret of success in Cedar Rapids is people who have a community spirit and a feeling of loyalty.

Guests: Glenn Drahn was the guest of Don Aanestad.  
Virgil Peters was the guest of Dan Schwitters

Welfare Report: Bob Rush announced that Bob Gable has undergone an operation. He hopes to be back with us in a couple of weeks.

Bowling: The team is rolling right along, last week picking up 6 out of 8.

## COMING PROGRAMS:

February 23rd: A baseball special. We're not sure who our guests will be but judging from past experience it has to be a winner.

Sometime in March: Downtown Cedar Rapids Kiwanis on Parade! A series of slides of Kiwanis through the years, prepared by Ed Colton, will be narrated by two surprise Kiwanians.

KIWANIS OBJECTIVES: One of the stated objectives of our club is: "To provide through Kiwanis, a practical means to form enduring friendships, to render altruistic service, and to build better communities". Why not enrich someone's life this week by inviting them to become a member of Downtown Kiwanis.

Your editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

February 16, 1977

Next Meeting: February 23. Our guest will be Jack Maul, new Field Manager for the Cedar Rapids Giants. Come on out and support the team!

Meeting for February 16: Following "America" and the Pledge, Ed Seger led us in prayer. (Jim Oetken said his prayer was dated February 23 and would have to wait). Our guest speaker was Eugene Kopecky, County Attorney who explained to the club the selection and function of jury system in Linn County.

He pointed out that there are two types of juries, the first being a Petty Jury composed of twelve persons selected by a jury commission from the voter registration list. They serve for a period of 2 months. The Grand Jury is selected from persons representing the various voting precincts. A total of 150 persons are selected from the voter registration and this list is then narrowed to twelve jurors who serve for the period of a year.

Attorney Kopecky's presentation was a very interesting and informative one.

Visitors: Our guest was Mark Benson, student and Boy Scout, who was also serving in the capacity of Safety Commissioner for a day. As you might suspect, the first question he was asked related to his choice for the new Police Chief.

Bowling Report: Like the man says, you win some and you lose some. Any way you look at it, it adds up to 8. Like Ed said, things could be (and have been) worse.

Welfare Report: Bob Rush reported that Bob Gable is working mornings now and hopes to join us in a week or so.

President Root read a letter from the Kiwanis International thanking the club for our participation in the Birthday Memorial Fund. A patch, noting this, will be displayed on our banner.

Kiwanians were also reminded of the Thursday Noon Lenten Luncheons and were encouraged to attend.

Bill Jameson impressed a number of people with the need to wear the Kiwanis pin. If you try to duck out, he'll pin you to the wall. No quacks, please.

Thanks to Bob Dye for the notes on Wednesday's meeting. See you all next week.

Your editor,

John Little

February 23, 1977

Next Meeting: March 2. Our March Program Chairman, Mike Stoffregen will start off the month with a representative from the Cedar Rapids Fire Department speaking on the subject: "Multi-Story Fires".

Meeting For February 23: The program began with Bill Pohorsky, February Chairman, introducing Don Bucheister who was the 1976 Midwest Manager of the Year as well as Class A Manager of the Year. These awards came to "Bucky" because of his outstanding job of promotion during the year. Bucky, by the way, comes from a family of champions and is justly proud of his wife and daughter. In regards to minor league ball, he pointed out that although over the years there had been a decrease in the number of minor league teams, that attendance has been increasing and that some leagues have even increased the number of teams they have. He also indicated that 1976 was a good year on the field and in the box office for Cedar Rapids. He then introduced the new Field Manager of the Cedar Rapids team, Jack Mall.

Jack started his career in 1969 at Quincy, Illinois. From 70-73 he was at San Antonio. In 1974 he was in Key West and Bradenton and has spent the last two years in Phoenix. He stated that the Cedar Rapids club has a winning attitude going and he plans to build on it. He will emphasize fundamentals and looks forward to a great year here. In response to a question as to why good players are moved on to other clubs, he pointed out that this is, in a sense, a reward for playing well and what all ball players are really working for.

Visitors: Joe Huston was a guest of Joe Stenner  
Paul Dickerson was a guest of Bill Jameson

Anniversaries: Adolph Helm February 27, 1963  
Lee Taylor February 21, 1973

Welfare Report: It was good to see Bob Gable back at Kiwanis.

March Board Meeting: Tuesday March 1 at the Roosevelt Royale.

Bowling Report: "The Bowler's Lament"

"Its not the heat but the humidity"  
We hear all summer long.  
And in similar vein, from the bowling lane  
We hear another song.

"We do our best", the guys lament,  
"But we still hear the same old tune.  
The endurance test for the bowling team  
Isn't Monday but Wednesday noon!"

Program for March 9: Johnny Linn, new Farm Services Director at WMT

Your editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

March 2, 1977

Next Meeting: Wednesday, March 9, at the Roosevelt with Johnny Linn, new Farm Services Director with WMT.

Meeting for March 2: Our guest, Lieutenant Jerry Powers of the Cedar Rapids Fire Department, was introduced by Jim Oetken. Lieutenant Powers' subject was "Survival In A Multi-Storied Fire." The story was graphically presented through a series of slides. Jerry pointed out that the proximity of a fire department, (in the above case, 1 1/2 blocks) does not necessarily mean added safety. How soon the fire is reported and what the occupants of the burning building do is of great importance. Suggestions that could help a person survive included the following:

- \_\_\_\_\_ Call fire department immediately
- \_\_\_\_\_ Know where the exits are before you settle in a room.
- \_\_\_\_\_ Measure the steps in case you must travel in darkness or smoke.
- \_\_\_\_\_ Stairwells are usually the safest place.
- \_\_\_\_\_ If trapped in a room, seal out as much smoke as possible. by stuffing cloth in cracks around doors etc.
- \_\_\_\_\_ Open windows from top, breathe at bottom
- \_\_\_\_\_ Close transoms
- \_\_\_\_\_ Listen carefully to instructions from rescuers below.

Visitors: Fred Burke was a guest of Don Aanestad. Another special guest was Bill Steadman who represented the Salvation Army Board of Directors. The Board presented the second place Bell Trophy to the Downtown Kiwanis for their excellent work during the Christmas Season.

Anniversaries - John Little, March 5, 1974

Bowling Report - The team took 6 out of 8 points and were led in their effort by Verne Haaland who collected one game of 225!

Division Caucus March 16th at the Apple Inn at Vinton, Iowa, at 7 P.M. Check with President Steve if you can go.

Our treasurer, Ken Rudd, indicates that dues for the present quarter are coming in rather slowly. Please check and see if you have paid yours, and if not, send Ken a check today.

Membership Emphasis - An attempt to get new members for Kiwanis in March and April is now underway. Don't some of your friends deserve to be a member of our club? If so, don't cheat them out of that opportunity. Invite them today.

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

March 16, 1977

Next Meeting: March 23, noon at the Roosevelt Royale. Our guest will be Keith Ericson on the subject of "Pollution". Special note from "Smoky" Bill: Get your ears on and your Kiwanis pin or he'll get ya. Forewarned is forearmed.

Meeting for March 16: Our guest was a fiery young man by the name of Josh McDowell. After a "timely" joke concerning one of our members and a little P.R. concerning the Kiwanians (we deserve it all), he shared with us concerning the mood on college campuses as he senses it. He felt that young people were blaming structures for the frustration that they were experiencing and that, unless something happened to change it, we were in for another period of violence sometime in the future. In the past, young people had causes that they were either for or against. The present mood seems to be apathy.

Josh feels that before people can be helped they will have to admit that at least a part of the problem is within them and start there. He feels that for himself and for others the answer is a personal relationship with Christ.

<u>Anniversaries:</u>	Don Aanestad	3-14-74

Guest: Lorin De Groot was a guest of Bob Dye

Bowling: Wish Bob Butterfield were here to make "Won 2" sound good.

Speaking of Bob: We received the following note from Gladstone, Michigan:

Dear Cedar Rapids Kiwanians:

This is your former past future president to be, taking time out to write you an interesting and lively letter from the Harnischfeger northern penal colony. This has been a remarkable day up here. Today it got so warm that our fuel oil thawed out and we started a fire in the igloo. Now if the ceiling would stop thawing, and dripping on my head, we would be all set.

Many is the time that Jeanette and I sit around the snow pile in the living room and reminisce about our Kiwanian friends from Cedar Rapids -- people we will never forget. Like what's-his-name from that little bank; or the old guy who had the dry goods store; or the short baldheaded lawyer who was always causing trouble and all the funny dentists.

I've been trying to get into the local Kiwanis club but so far they refuse to consider my application. Something about some comments they have received from you all. But I will continue to try--there has to be a place in the sun for me somewhere. (Word has it that Bob finally made it into the club there).

I will close for now. Good luck to you all and if any of you are up here next summer, I would like to see you.

Bob Butterfield

Good to hear from Bob. We miss him here in Cedar Rapids.

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

March 23, 1977

Next Meeting: Our guest will be Dr. David Hammond on "The Energy Crises". Dr. Hammond, who speaks with expertise on a number of subjects is with the Iowa State Extension Service.

Meeting for March 23: (Per Lee Taylor's notes)

After "America" with Ed Colton, prayer led by Charlie McIntyre and a report from the mission field of Borneo by Bob Armstrong, our March Program Chairman, Mike Stoffregen introduced the speaker of the day, Kieth Ericson who is the Linn County Pollution Officer. Mr. Ericson has degrees from the University of Iowa and the University of Northern Iowa and pointed out the following concerning the problems of pollution as we face them today:

- 500 cars and trucks were taken off Iowa roads last year because of defective exhaust systems.
- Diesel fuel pollutes less than gasoline.
- Cedar Rapids has an active program to reduce pollution.
- 3 local schools still burn coal. 54 schools in the county do the same.
- Open burning has not been allowed since 1972. This includes at present leaf burning and burning at dumps.
- Over 1,000 unpaved miles of gravel road in Linn County contributes to the pollution problem.
- We only have about 300 years of oil left. After that, all we will have left to burn will be natural gas and coal.

Bowling: This week the boys bowled at Lancer Lanes in beautiful West Side Cedar Rapids. Each man put his very best effort into the competition, and when all the games were finished and the lights were turned out one by one, everyone went home. Ken Holvenstot gave me a bunch of old Kiwanis News and suggested I might re-run some interesting old items. Here's an old bowling score that might strike fire: Won 8.

MEMBERSHIP DRIVE: Kiwanians, have you talked to anyone about membership in Downtown Kiwanis lately? Remember, everyone is a winner when you invite someone. Your guest is a winner as he participates in our club activities; the club is a winner because of his presence. AND, you could be a winner of a special prize for getting the most new members in March and April.

Your editor,

John Little

Chartered December 9, 1920

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

March 30, 1977

Next Meeting: April 6 at the Roosevelt. Our April Program Chairman, Dr. Jim Downing will introduce Dr. Fred Erbe with a program entitled: Education - Master or Servant? Dr. Erbe is presently Assistant Dean of Extramural Affairs at the College of Dentistry, University of Iowa.

March 30 Program: Our guest was Dr. David Hammond of Iowa State University with the subject, "The Energy Crisis". He reminded us that the energy crunch is and will not go away with the passing of time. By 1980 projections tell us we will be importing over half of our oil and the price is bound to increase. Our natural gas supply has been cheap in the past but it too is running out, and as a result, will increase in price.

None of the solutions or curbs to excessive use of energy is very pleasant. In most cases the prices of energy will continue to climb until we simply are forced to use less.

The Alaskan Pipeline will not benefit the Midwest and East a great deal. Solar energy is still a long way off from a practical standpoint. We will be using more and more coal and will have to have some trade-offs with the environmentalists in that regard.

Congratulations to: Perry Hummel, re-elected as the District Lieutenant Governor . . . to Jim Oetken, elected as Chairman of the Salvation Army Advisory Board . . . and to Charlie McIntyre, selected as one of the Distinguished Club Presidents of 1975-76. Charlie will receive special recognition at the District Convention in May.

Visitors: Frank Malone was the guest of Bill Windus

Rex Neuhart was the guest of Jim Luhrs

Steven Gerhardt was the guest of Joe Greenlief.

Anniversaries: Bob Rush - March 31, 1965

Bernie Taymans - March 27, 1974

Bowling Report: Things are on the uptake again. The guys got 4 out of 8.

Pancake Day: Its scheduled for Saturday, May 14. Everyone will be needed. One of the projects for Pancake Day is the Youth For Christ van, so much needed by Bob Dye and his staff.

BOARD MEETING: TUESDAY, APRIL 5 AT THE ROOSEVELT

POETIC QUESTION OF THE WEEK:

Who was that guy in Banker's Tweed  
Who left with such amazing speed,  
Who prompted our prez to quickly call  
As our Cross Country Champ sped down the hall,  
"Tis far, far better to eat and run  
Than never to have shown at all?"

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

April 6, 1977

Next Meeting: April 13 noon at the Roosevelt. Dr. Jim Downing, our April Program Chairman will present Dan Schwitters with a program entitled "Ag-- Update 1977". By the way, Dan will also be celebrating a birthday on that same day.

Meeting for April 6: (thanks to Grant Williams notes) Our guest was Dr. Fred Erbe, Dean of the I.U. Dental School, whose topic was "Education". He pointed out that schools are not really doing the job of preparing people for higher education or life in general. Progressive education has not proven to be as "progressive" as once thought. Most colleges today do not teach U.S. History. Civics is no longer studied in schools today. New Math does not enable students to think out problems. Students are not able to express themselves orally or in a written form. Spelling of most of today's students is horrendous.

What is the remedy? We could begin by once again teaching a basic morality, basic subjects including the three "r's" and also include civics and history. Teaching should reflect the basic values of U.S. society.

#### Anniversaries:

Jim Bowker	April 8, 1953
Charles Loomis	April 7, 1948

Welfare Report: indicates all Kiwanians in good shape.

Guests: Doctors Downing and Fenner had as their guests Doctors Glantz, Rosenberg, Olmsted, Katzoff, Holcomb, Rodriguez, Brandes and Lehman.

Harold Goodie was the guest of Ed Seger

John McRight was the guest of Bill Jamesen.

Pancake Day: is scheduled for Saturday, May 14th. A number of activities that day should insure a good turn out. For that reason every Kiwanian who can turn a pancake, pour a cup of coffee or wipe off a table is needed. Be sure and set that date aside.

Board Note: Two camp scholarships will be awarded to the Campfire Girls this year.

Bowling Report: Grant's notes say "Cancelled by team". I'm not sure whether he meant the bowling or the report. In either case, the guys will probably come out ahead.

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

April 13, 1977

Next Meeting: April 20 at the Roosevelt. Our guest will be David Moeller, District Fisheries Supervisor. He will speak on the subject "Future Fisheries in Iowa" with special emphasis on trout and small mouth bass.

April 13 Program: After Bob Rush led us in "America" and Joe Powers led us in a very thoughtful prayer our illustrious April Program Chairman, Jim Downing, nodded at our speaker who got up and introduced himself (talk about short introductions!)

Our speaker was Dan Schwitters, of course, originally from Steamboat Rock who has been involved with farm equipment for 41 years-----31 years as a dealer. He reminded us of the days when a good tractor was \$475.00. Gone are those days, of course. Now you can pay \$55,000 and more for a tractor plus \$70,000 for an 8 row combine. Of course, the tractor includes such optional equipment as bucket seats, stereo tape deck, air conditioning-sound proof cab and a monitor to tell you how many seeds per minute the planter is planting. Dan also shared some reflections on a trip to Australia where good land sells for \$250 an acre and good black dirt is from 60 to 100 feet thick. (Guess I'd better stop there or you'll never believe another word I say.) Dan says the future for the farmer still looks great.

Guests: From Hiawatha trails: Dave Taylor, Charlie Dryzak, Don Marek, Dave Boland and Chip Kinsinger.

Also: Virgil Brownfield was a guest of Orrie Lawrence, Mark Oppel was a guest of Jim Oetken. Also, welcome back from Florida to Dale Joseph and Mike Kennedy.

Anniversaries: Arnold Herbst - April 12, 1955  
Howard Smith - April 15, 1977

Bowling Report: We can tell it like it is this week. The team won 6 of 8 points and had a team score for the first game of over 1,000 points. Too bad the season is so short. The guys are just starting to catch fire.

PAN CAKE-DAY: May 14th. Good reports from Stevely and McConnell emphasized the need for all the workers we can get. Dick says that 1,240 sausage patties are heading this way and that among some members, ticket sales are going like (would you believe) hot-cakes.

ON THE WAY OUT - Overheard a dentist friend tell a certain T.V. person: "Enjoyed your last editorial Jim, till I found out it wasn't."

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

April 20, 1977

Next Meeting: April 27. Our speaker will be Bill Pohorsky representing the Greater Downtown Cedar Rapids Association. His subject will be the Downtown Mall and walk-way system. Rumor has it that he will have a model with him but no names were mentioned.

Meeting for April 20: (Thanks to Verne Haaland for the fine notes). David Moeller, who couldn't be there, was very ably replaced by Don Higgins, Fish & Wild-Life Biologist from Manchester. Items of interest included the following:

- Each year 50 small lakes and streams are stocked in Eastern Iowa.
- 50,000 fingerling brown trout are planted.
- Loss of habitat in streams curtails the number of fish that streams are able to hold. Erosion of soil and fertilizer run-off and pollute the streams.
- It takes a good deal of missionary work among farmers and land owners to maintain good streams and lakes.
- Bass streams in N.E. Iowa have a good fish population, but low water and cold weather has resulted in high fish kill in the past year.
- Streams are over-stocked to offset loss by predatory birds. (As high as 30% may be lost in this manner).
- Trout maps are published each year to show where trout population is and can be obtained from the office in Manchester.

Special thanks to Don for a fine presentation on short notice.

<u>Anniversaries:</u>	Bob Armstrong	April 1923
	Blake Garske	April 1969
	Grant Williams	April 1964

Guests: Bob Boaz was the guest of Al Gee  
Torrey Johnson was the guest of Ed Seger

Bowling Report: The team won 2. I'm not sure how to interpret a rumor that suggests they won 6 out of 5.

ANNUAL ELECTION WILL BE HELD ON MAY 4TH.

Pancake Day, May 14: If you haven't signed the worksheet yet, see Kim Stevely as soon as possible.

BEEN MISSING KIWANIS LATELY? If so, we've been missing you. Remember each attendance is a vote in favor of Kiwanis principles. Cast your vote for Kiwanis/attend meetings regularly.

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

April 27, 1977

Next Week's Meeting: May 4 - Roosevelt Hotel NOON.

Next Week's Program: Our guests will be a very special group of students, their parents and advisors. This will be our annual Citizenship Awards program with Howard Vander Schaaf in charge. Students who have achieved success while struggling against specific odds. The committee is to be commended for coming up with a criteria for recognition that is extremely valid and fair. We are proud to be a part of a club that has found still another way to "touch the lives" of members of our community.

Meeting for April 27: Our speaker was Kiwanian Bill Pohorsky representing the Greater Downtown Cedar Rapids Association. Bill's subject was the Second Street Mall. Bill did bring a model with him, which was given a place of prominence and inspected closely at the end of the meeting. Items of interest concerning the mall include:

- About 285,000 square feet of shopping space will be added to the present district making it the largest single shopping area in Eastern Iowa.
- A special taxing program will allow for construction without use of public funds.
- The program will tie 8 blocks of downtown area together making it possible to circulate in that section without going out of doors.
- A parking space program will provide adequate parking for shoppers.
- Actual construction could begin in a year. Thanks to Bill, and to Bob Armstrong who shared some of his insights, for a very informative program.

BOARD MEETING, TUESDAY NOON, MAY 3, AT THE ROOSEVELT.

Election Next Wednesday:

Candidates for 2nd V.P. Al McIvor

(Wayne Mead announced that he would have to withdraw from the nominations due to business and civic commitments).

Nominations from the floor will be called for.

Candidates for Board:

Denton Schultz  
Bill Windus  
Larry Fishwild  
Jim Rasley  
Ken Hunter  
Ed Seger

Guests: Eldon Oldrich was the guest of Mike Kennedy  
John Gaston was the guest of Bob Blinn

Anniversary: Duane Kurrlemeyer - April 24, 1974

Pancake Day - May 14th: Tickets were distributed by Mike Stoffregen and there are plenty more where they came from. Be sure and get yours either at the next meeting or at Mike's office at American Federal downtown. Remember proceeds of Pancake Day will be used to purchase a Youth for Christ Van.

WEEKLY  
NEWS  
BULLETIN

May 4, 1977

Next Meeting May 11th: A very timely subject: Bill Bjornsen, Civil Defense Chairman of Linn County will discuss "Tornados".

Meeting for May 4: It was a very heartwarming experience to have as our guests fourteen fine young students representing Prairie, Jefferson, Lasalle, Washington, Kennedy, Regis and Linn-Mar high schools, along with members of their families and faculty advisors. Each student who was the nominee from their school for the GOOD CITIZENSHIP AWARD received a trophy and a \$25 Savings Bond. Howard Vander Schaaf, Chairman of the Awards Committee with Dan Schwitters and Tom Anderson are to be congratulated for their efforts. Thanks also to Mike Stoffregen, who assisted with the presentation.

Got Some Program Ideas? Bill Jameson, May's Program Chairman has this month well scheduled but the following people are future chairmen:

June : Kim Stevely and Dick McConnell  
July : Bruce Thorson  
August : Aaron Randolph

Visitors: Besides the High School representatives, our soon-to-be-re-installed-District-Lieutenant-Governor, Perry Hummel, from Vinton.

<u>Anniversaries:</u>	Bob Blinn	May 2, 1951
	Al Gravelie	May 5, 1959
	Ernie Kosek	May 3, 1959
	Ray Vaughn	May 7, 1958

H.E.W. Report: Dr. Bob "Malpractice" Rush was fined for going to fast with his diagnoses. Bill Jameson got him for jumping to conclusions.

Bowling: What a relief! The seasons over. The guys managed to climb into second place (a point of view). Someone suggested they switch to golf and keep those balls rolling along.

Election Next Week:

Candidates Include:  
For 2nd V.P.

Al McIvor  
Wally Brown

For the Board

Denton Schultz  
Bill Windus  
Larry Fishwild

PANCAKE DAY IS MAY 14TH. IF YOU DON'T HAVE TICKETS GET THEM FROM MIKE STOFFREGEN AT AMERICAN FEDERAL DOWNTOWN. IT MAY BE CORNY BUT ITS STILL TRUE, SUCCESS CAN'T BE SPELLED WITHOUT "U".

NOTES FROM BOARD MEETING: A "Thank You" letter from the Campfire Girls for the 2 - \$50 camperships was read . . . Dick McConnell is representing our club in Dallas at the Kiwanis International in June . . . The resignations of Verne Perry and Rich Siewert were regretfully accepted.

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

May 11, 1977

Next Meeting: May 18 at the Roosevelt with Wayne Mead in charge of the program.

Meeting for May 11: Our guest was Bill Bjornsen, Linn County Civil Defense Director, who presented a very interesting and informative slide program on "Tornados". Interesting facts about tornados included:

- In Iowa, May and June are the most likely months for tornados to occur. Usually they occur between 2 P.M. and 8 P.M. with the peak being about 6 P.M.
- "Ideal" weather for tornados is a hot, muggy system moving in from the southwest, meeting cold dry weather moving in from the northwest, (the temperature difference is usually 20 degrees or more).
- Tornados in Iowa always spin counter-clockwise with the speed of the spin from 100 to 400 MPH. They move laterally at varying speeds and are from 100 feet to as much as four blocks wide.
- It is not unusual for two tornados to come out of the same cloud formation and Bill had heard of as many as five.
- 83% of Iowa tornados come from the southwest, 16% from the northwest and 1% from the east.
- Mobile homes are particularly vulnerable to tornados but can be made much more safe with tie-downs.

Election Results: Second VP - Wally Brown  
Board Members - Ken Hunter, Dutch Schultz, Bill Windus

Bowling Report: The seasons over and you won't have us guys to kick around any more.

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

May 18, 1977

Next Meeting, May 25: Noon at the Roosevelt Royale. Our guest will be Mr. William Mogolov of Des Moines, Field Director of the Kidney Foundation of Iowa. His subject will be Organ Donations and he will deal more specifically with kidney diseases, dialysis and transplantation.

Meeting for May 18: After our meal together and America and the Pledge of Allegiance led by Ed Colton and an Invocation by Joe Powers, Wayne Mead introduced Don Menning who spoke briefly on the Cedar Rapids Industrial Arts program. He expressed appreciation to the Downtown Kiwanians for their Annual Awards program in this field. Wayne then emceed a fine program featuring each of the outstanding students of the seven schools represented. The students, their schools and projects are as follows:

William Hauge of Franklin Junior High, a sheet metal tool box;  
Diane Davis of Harding Junior High, a chopping block;  
Shelle Perry, of McKinley Junior High, a coffee table;  
Jeff Visek of Roosevelt Junior High, a fishing rod holder;  
Bret Kelsey of Taft Junior High, a two-wooded gavel;  
Mark Fehlberg of Wilson Junior High, a table;  
Doug Kula of Jefferson Senior High, a hunting knife;  
Steve May of Washington Senior High, a vertical steam engine;  
(Randy Heinle of Kennedy Senior High was unable to attend).

The projects were on display for Kiwanians to inspect after the program. Each one of them certainly deserved a prize, being of the exceptional quality and construction. Congratulations to these young people and to their leaders.

#### Anniversaries:

Al Bickel - May 16, 1956

John Palmer - May 18, 1970

Howard Vander Schaaf - May 18, 1966

#### PANCAKE DAY RESULTS

Kim Stevely expressed his appreciation to all of the Pancake Day workers and especially to the wives and sons and daughters who so willingly volunteered their help.

Dick McConnell indicated that the results this year were quite a bit below our expectations and expressed hope that those of you who have ideas as to how the program can be improved would please contact him with ideas that can be passed on to next year's committee. By the way, quite a bit of that delicious sausage is left and can be purchased at \$1 per pound. Please call Dick if you wish to purchase some. Also be sure and turn in money from ticket sales that you may have.

DON'T FORGET NEXT WEEK IS TAKE-A-FRIEND-TO-KIWANIS-WEEK! (ISN'T EVERY WEEK?)

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

May 25, 1977

Next Meeting June 1 at the Roosevelt Royale. One of the features of the program will be President Steve Root's handing over the gavel to Dick McConnell along with a "surprise" program you won't want to miss. . . . .

Meeting for May 25: Bill Jameson, May program chairman, introduced William Mogolov, Field Director of the Kidney Foundation of Iowa whose subject was Organ Donations. He pointed out that there is a constant need for kidney transplants along with other organs and that anyone could be a part of the program by simply signing a Uniform Donor Card in the presence of two witnesses and keeping the card with them for identification purposes.

Since kidney failure has caused the death of over 50,000 persons a year, the need for organ donations is obvious.

The value of the program was brought home forcefully as Bill Jameson pointed out that his guest, Lieutenant Bill Nagel of the CR Police Department had a kidney transplant. He shared his experiences with us and answered questions related to the operation and life since then.

Certainly the closing question posed by Mr. Mogolov needs to be seriously considered by each one of us as we consider the possibility of becoming a prospective donor: "If you needed a kidney or other vital organ to live. . . would you be able to get one?"

Anniversary      Jim Luhrs                      May 27, 1964

Guests              Lieutenant Jim Nagel, guest of Bill Jameson  
                            Bob Boaz, guest of Al Gee

Thank You Notes: President Steve read letters of appreciation from two Citizenship Award recipients and also a note of thanks from Bob Harris of the CR Symphony concerning the money donated by our club to provide a bus ride for senior citizens to a symphony concert.

BATTER UP! (ouch) Pancake Day results are better than originally reported but still less than anticipated. The price of pork remained steady on the CR market and Dick M was able to unload something like a 125 pounds. If there is any ticket money still out there, return it as soon as possible so that a final report can be issued.

DOUBLETAKE: "When it comes to helping others, some people stop at nothing!"

Your editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

June 1, 1977

Next Meeting: June 8 at the Roosevelt at noon. Our guest will be Curtis D. Abdouch, Director of the Indian Creek Nature Center whose subject will be "A Green Island In A Sea of Civilization".

BOARD MEETING AT NOON ON TUESDAY, JUNE 7.

Meeting for June 1: After Duane Kurrelymeyer led us in two verses of America and Jim Oetken led us in an ecumenical prayer, the "surprise" we were promised was presented. And, I think all will agree, she was a delightful surprise--"she" being Isobel Mack, Special Agent with the Prudential Insurance Company.

I am sure that I can't do justice to her sparkling presentation; you had to be there. She began by asking us to reflect on the question of "our most prized possession" and then proceeded to prove that hers was a sense of humor. Among other things she told us about the joy of keeping a dirty house (her friends say it has that lived in look) putting together a Whirling Teeter Totter on Christmas Eve, and the Joys of a Camping Mother.

Come again Isobel.

Guests:

Perry Hummel, Up-coming Lieutenant Governor  
Roy Larsen, guest of Adolph Helm

Special Activities: Al McIvor inducted Aaron Randolph into the club. We want to welcome Aaron officially into Kiwanis, although he has been a working member for some time.

President Steve Root turned the gavel and its accompanying responsibilities over to Dick McConnell. Steve is taking a Pastorate in West Union, Iowa and will be leaving C.R. in a couple of weeks. Steve has been a member of Kiwanis for 7 years and has served for 9 months as President. We appreciate his fine efforts as a Kiwanian and wish him the very best in the future. Jim Oetken also became 1st Vice-President replacing Dick.

GOLF TOURNAMENT: Where? Would you believe "Porky's Red Kettle" at Cedar Falls, on June 25? If you're interested, we will try to get even more details.

Your Editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

June 8, 1977

Next Week: June 15 - Our program will be entitled "Energy Conservation" and will be presented by Kim Stevely.

Meeting for June 8: Our speaker was Curtis Abdoush, Director of the Indian Creek Nature Center. Curt, a naturalist (who comes fully-clothed), presented a very interesting resume via slides of the Nature Center program. The Center covers 140 acres and is a part of the Cedar Rapids Greenbelt. Its purpose is helping people use, understand and appreciate some of the finest wildlife habitat and natural area in the Greater Cedar Rapids region. Hundreds of species of plants and animals find sanctuary there. Curt encourages all Cedar Rapidsians to become members of the Center. Fees begin at \$5 for a student, \$10 for an individual, and \$15 for a family.

Welfare Report: Ken Rudd is in St. Lukes where he underwent an operation on Tuesday. Ken is recovering nicely and we wish him well. His room number is 341.

Guest: Ron Merrick from the Hiawatha Trails Club.

District Convention Report: Charlie McIntyre and Ed Colton attended the Iowa-Nebraska Convention at Okoboji, Iowa on May 13-15 where Charlie received the Distinguished Club President award. Congratulations Charlie for an honor well deserved. Ed served as song leader at the banquet and as Parliamentarian. Charlie's report emphasized the fact that the number one topic for discussion was membership. In the past 10 years, clubs in the District have increased in number by 50, but the average size of each club has dropped by about 12 members.

The new District Governor is Laurence Vaughan of Lincoln. Governor-Elect is Richard Hogan of Council Bluffs.

Pancake Wrap-Up: With most of the business completed, it looks like the net will be over the \$900 mark. Although less than some previous years, this is still a commendable amount and all the Pancake Day workers can take a bow.

Richard McConnell began his term as Club President Wednesday. We are looking forward to a growing year with President Dick and pledge our support to his efforts.

Behind the Scenes: Over \$200 was given by our club in the month of May to help needy children obtain glasses and dental work. This is a part of the on-going Kiwanis program to reach out to our community.

Your Editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

June 22, 1977

Next Meeting, June 29: Our guest will be Ralph Kessler of the Eldora Kiwanis Club who will present a program entitled "Promoting Kiwanis in Iowa".

NOTE TO BOARD MEMBERS: The July Board Meeting has been changed to Tuesday, July 12, at noon.

SIGN IN SHEETS will be used for the next few weeks at the regular meetings. Our good secretary Bob Dye has his traveling shoes on and won't be at his regular post for a few weeks. Also, Committee Reports should be in to Bob by this Monday, June 27.

Meeting for June 22: Our guest was Roy "Bud" Jamesen, Cedar Rapids Airport Director who shared some of the history and hopes for the facility. The airport was born as the result of the dreams of a number of C.R. residents and a bond issue passed in 1942. In 1945, an Airport Commission was established and has been in existence ever since.

Evidence of its growth is the fact that in 1970 there were 325,000 passengers; in 1977 there were 440,000, and it is projected that by 1987 there will be a million passengers a year.

There are 23 commercial flights a day from C.R. and you can go anywhere in the country but Des Moines and Omaha.

"Bud" impresses you as a man who enjoys his work and also as one who knows where he's going.

#### Vistors:

Denny Kohl was the guest of Charlie McIntyre (Denny is the new director of Camp Good Health. He gave the Kiwanians a chance to help send some worthy youngsters to the fair and they responded generously).

Ron Marek was the guest of Jim Oetken

Bill Shaner was also visiting from the Fort Collins, Colorado Kiwanis.

Health & Welfare: Good to see Howard Vander Schaaf back out of the hospital already.

BON VOYAGE to President Dick McConnell and Ed Colton who will attend the Kiwanis International at Dallas.

Left-Overs From the June 15 Meeting: Attempts to get Bob Butterfields award to him foiled again as Bob, apparently hearing of our coming, moved to Chicago. . . . Steve Root was awarded a pen and pencil set in the middle of a parking lot (I only know what I read in the minutes). . . . If the minutes seem short, it is only because Ed Seger's secretary inadvertently left her foot on the peddle and erased 15 minutes of tape. . . .

Meeting for July 6: Our special guest will be Congressman Mike Blouin.

Your Editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

June 29, 1977

Next Meeting, July 6: Our guest will be Congressman Michael Blouin.

Meeting for June 29, 1977: After the usual preliminaries which included Bob Rush leading us in 11/12 time as we sang America, Kim Stevely introduced our guest, Ralph Kessler of the Eldora Kiwanis Club. Ralph explained a program which originated with the Eldora Club centering around a Christian Music Festival--a program the Eldora Club would like to make District-wide. The festival is scheduled for September 3, 1977 from noon to 9 p.m. at the Hardin County Fairgrounds in Eldora and will feature nationally known Christian singing groups including "Selah" and "King of Sunshine".

The Eldora Club is urging local Kiwanis Clubs to get involved by selling tickets at \$3.50 a piece. 50¢ will remain in the local treasury and all profits beyond that will be used to provide a full music scholarship for some worthy student in the field of Christian music.

Guests:

The Cedar Rapids, Metro Kiwanis was represented by:

Bill Ensign

Les Sykora

Ed Olson

Ken Burns

We have had no word from our Texas Troubadors, President Dick McConnell and Ed Colton who are attending the International Kiwanis Convention at Dallas but feel certain they are enjoying the experience.

BOARD MEETING THIS MONTH WILL BE JULY 12.

Bob Dye is off somewhere traveling with Youth For Christ. Remember to use the sign-in sheet if you want credit for attendance.

Did You Know. . . Every person has two ends,  
an end to think with  
and an end to sit with.  
What he accomplishes  
depends on the end he chooses:  
heads, he wins,  
tails, he loses.

Your Editor,

John Little

July 6, 1977

Next Meeting, July 13: Our July program chairman is Bruce Thorsen although I understand that his first program was preempted by Kim Stevely. However, on July 13 Bruce will present a program entitled "A Birth of New Hope"--centering around the intensive care nursery facility at St. Lukes.

Meeting for July 6: After Ken Hunter led the group in singing and Ed Seger led in prayer, Congressman Michael Blouin was introduced to the group. His remarks included the following items(per Dale Joseph's notes):

- The Federal government can't be everything to everybody.
- Attitudes in Washington seem to be leaning toward getting back on the right track and getting something constructive accomplished. Emphasis in the past has been too much on the problems and not enough on solutions.
- He is convinced that we can have a balanced budget in three years if the proper steps are taken. But cooperation between all branches of government will be required.
- Feels the B-1 is not adaptable to nuclear war.
- Russia fears our Cruise Missile more than anything else.

Guests:

Frank Carie was the guest of C. R. Farney  
Bob Hult was the guest of Duane Kurrelmeyer  
Cliff Bunting, D. J. Smith and Van Snow were  
the guests of Al McIvor  
John Backman was the guest of Jim Oetken

At last report, our Texas delegates Dick and Ed were still conventioning.

BOARD MEETING THIS TUESDAY, JULY 12.

Future Meetings:

July 20: C. C. McIntyre on "Thirty Years in Cedar Rapids with United".

July 27: Ken Harting on Linn Haven, a home for retarded citizens.

"Anybody want to buy a toothbrush?" Dale said he didn't have time to tell Jim Oetken's story but he did give me that much. (Why do I have to miss all the biggies?)

A Parting Shot: Never criticize your wife's judgment. After all, look who she married!

Next Meeting: July 20 at the Roosevelt, our July program chairman Bruce Thorsen will present C. C. McIntyre and a program entitled: "Thirty Years in Cedar Rapids With United Airlines."

Meeting for July 13: Our guests were three young ladies from St. Luke's Hospital, Jo Manion, Caroline Hagen and Bonnie Bennett. Jo and Caroline are a part of the New-Born Intensive Care unit at St. Luke's and presented a series of slides illustrating the unit. Following that presentation they answered a number of questions.

St. Luke's is one of only ten hospitals in Iowa that have such sophisticated equipment.

In extreme cases there is one RN assigned to each child. Some children are there as long as 4 months, others for only 2 days, with the average at around 2 weeks.

The two main problems encountered by the New Born IC unit are: pre-maturity and various forms of infection.

Guests: Perry Humel, still officially classified as a visitor, says he may start looking for a name tag soon.

Thanks from Camp Good Health - President Dick read a note from Arlene Becker expressing appreciation for Kiwanians who passed the hat and made it possible for some nine year olds to go to the fair for the first time.

Anniversary: Bob DeMeulenaere 7-16-72

Change of Treasurers: The Board recently was informed that Ken Rudd will be moving to Indianapolis, Indiana. (Contrary to Kim's report, the Geritol 500 is not involved--a new apartment complex is.) The Board is glad to announce that Duane Kurrelmeyer has accepted the nomination for Treasurer and will be voted on next week.

Bill Jameson presented Jim Oetken the first of what we hope is the last of the bowling shirts. I didn't think anyone could have a -4 bowling average, but that's no worse than Jim's -4 on a sex appeal scale. Guess if we had to choose, we'd rather strike out bowling.

KIWANIS IS A GREAT CLUB. LET'S SPREAD IT AROUND! President Dick McConnell returned from Texas determined to get our club growing. We all can help by doing the very best at the job's assigned and by inviting friends to attend and to eventually become members. Dick wants 10 new members by September, so take the sheet for prospective members handed out by Al McIvor. Fill it in and get it back next week!

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

July 20, 1977

Next Meeting July 27: Our guest will be Ken Harting with a program centered around Linn Haven, a home for people with special handicaps.

Meeting for July 20: After "God Bless America" with Ed Colton and an invocation by your truly, our guest C. C. McIntyre explored the subject: "Thirty Years With United Airlines In Cedar Rapids" (actually they have been here longer but they left for awhile). C. C., who came to Cedar Rapids in 1947 and will be retiring this year, took us on a nostalgia trip back to the days of the first air mail runs when "landing lights" were lighted straw stacks at strategic places along the runway and it took 22 hours to go from Chicago to Los Angeles. Passengers were hauled two at a time and their ticket included a box lunch and a thermos (full of coffee, I presume).

Mr. McIntyre pointed out that air service today is tightly controlled by the Civil Aeronautics Board and feels there needs to be a loosening of C.A.B. controls in favor of controls governed by the market competition.

He pointed out that after retirement he plans to remain in C.R. because he can't think of any other place he'd rather be.

Welfare Report: Both Joe Powers and Bob Gable are in the hospital. We hope you both get out real soon.

Anniversaries: Rex Schrader July 19, 1972

Dallas Report: President Dick McConnell reported on his recent trip to Texas with Ed Colton and other Kiwanians. While there, he learned to speak "southern" and deftly tossed off such words as "arn" (used to take wrinkles out of shirts), "awl" (used to lubricate cars), not to be confused with "airel" (used on top of houses to increase T.V. reception). Other academic exercises included listening to Art Buchwald, John Powers and Charles Allen as well as attending seminars on how to have a bigger and better Kiwanis Club.

Don't forget to give your prospective member lists to Al McIvor next week.

Some people I know are like blotters. They soak up everything, but get it all backwards.

Your editor,  
John Little

WEEKLY  
NEWS  
BULLETIN

July 27, 1977

Next Meeting, August 3: Program - Sue McCormick, Customer Service Manager, U.S. Post Office, on the topic, "How The Business Man Works With The Post Office."

Last Week's Meeting, July 27: Our Program Chairman for July, Bruce Thorsen, of St. Luke's Hospital fame, rounded out a month of good programs by introducing Ken Hartung, President of the non-profit Linn Haven Corporation, and Dick Beavers, Administrator of Linn Haven. . . .Ken and Dick showed slides of the new facility, which is located on Blairs Ferry Rd. NE behind the K-Mart Plaza. . . .They explained that Linn Haven started as a project of a Marion Church, and serves a need involving the housing and caring for mentally handicapped (average I.Q. 40-60) adults over age 18. . . .Ken mentioned that Bruce Thorsen was on the Board of Linn Haven, another example of a Kiwanian involved in a worthwhile project in his community. . . .Nice job, Bruce.

Good News: Joe Powers and Bob Gable were both reported out of the hospital . . . .Dr. Rush, who is Downtown Kiwanis' answer to Marcus Welby M.D., diagnosed all the rest of us as O.K.

Membership Drive: Al McIvor has given out "Kiwanis Prospect Lists" to regular attendees in the last few weeks, and needs more of them filled out and returned, especially from the Protestant members. . . .If some of you guys don't shape up and return them soon, you'll be up to your ears in Catholics, and that would lead to Bingo, genuflecting, and the Pledge of Allegiance in Latin.

"Guesties": Fred Uphoff, Director of the Alcohol and Drug Abuse Council, and Star of EYE ON IOWA recently, guest of the lovely and talented Wayne Mead. Bob Thiersch, of Ohio National Life, and a (yuccch) Rotarion, guest of Don Aanestad.

Board Meeting: Next Tuesday, August 2, 12 Noon. . . .Roosevelt Hotel.

Random Bits of Intelligence: Aaron Randolph, who does Boy Scout things, is our Program Chairman for August. . . .He originally suggested a one-month camp-out, but the Roosevelt isn't equipped for field mess hall service. . . . A reward is being offered for whoever has been turning the "Do Not Disturb" signs on the 7th floor of the Roosevelt around to the "Maid Clean Up Room" side on Wednesday afternoons. . . .Those visiting conventioners have no sense of humor. . . .Word has it that President Dick McConnell doesn't have ulcers, but he's a carrier. . . .Has Bill Jameson ever put money in that duck, or goose, or whatever that farm animal is that fleeces broadcasters, and other honest businessmen? . . .Just wondered. . . .Who is responsible for updating the back of this bulletin?? It has been pointed out that some of our "newer" (would you believe the last 2 years?) members aren't listed, and some of the members listed resigned back in the Hoover administration.

Future Programs: August 24, Lloyd Kraft, Regional Office, Boy Scouts of America  
August 31, John Bachman, WMT-TV Anchorman

WEEKLY

BULLETIN

August 3, 1977

Next Meeting, August 10: Our program will feature Mark Doolin, member of the local Human Rights Commission who will lead a discussion on "Discrimination and Human Rights."

Last Week's Meeting, August 3: August Program Chairman Aaron Randolph presented Sue McCormick, Customer Service Manager of the C.R. Post Office with a program entitled "Postal Re-Organization".

Sue indicated that there were four goals that the Postal Service was striving to reach and included:

1. Limit post-office consolidations
2. Begin 5 day mail service
3. Explore new communications possibilities
4. Emphasize dependability rather than speed

By the way, stamp collecting is big business. In 1976, philatelic sales reached the 91 million mark.

Guests: W.J. Jameson was the guest of his son Bill. Perry Hummel, of Vinton was with us once again. Jim Oetken introduced his guests; Mike Ferring of Magid and Associates, Pat McPartland of Iowa Electric, and George Dorrington of Creswell, Munsell, Schubert & Zirbel Advertising. Jim Bowker had Dennis Draho as his guest.

Anniversaries: Charlie McIntyre, August 3, 1970

Wives Day, August 31 The handsome and talented John Bachman of WMT is the attraction. Be sure and encourage the ladies to come (Do they really need encouragement?)

Special thanks to Jim Oetken, last week's editor for a very fine job.

Ed. note: While away last week, I visited Huxley, Iowa and tried to play a round of golf. I mentioned Dr. Jim D's name but even that wasn't enough to get me on the course. (Come to think of it, that's when all the trouble started. . . .)

Membership Drive: Don't forget to turn in those prospective membership lists to membership chairman Al McIvor. Watch this spot for a progress report as soon as we start to make progress.

Your Editor,

John Little

WEEKLY  
NEWS  
BULLETIN

August 10, 1977

Next Meeting: August 17th

Our program will be presented by Cedar Rapids Traffic Engineer, Mel Meyer. He will speak on the subject of, "Cedar Rapids Transportation System: It's Problems and Their Solutions."

Meeting for August 10:

After a song led by Mike Stoffregen and Bob Armstrong's, Invocation, Aaron Randolph-our August Program Chairman, introduced Mark Doolin, Executive Director of the Cedar Rapids Human Rights Commission. Mark's main forte seems to be the hiring and firing practices of local employers and indicates that the majority of his complaints come from women. He indicated that the benefits of civil rights are, in a sense, retroactive and that present employment practices should take into account the disadvantages experienced by women and minority groups in the past.

The Civil Rights Commission, he pointed out, is just coming of age. It does not intend to "eliminate" all discrimination. It will simply deal with complaints and violations as they arise.

Anniversary: Jim Downing, August 13th, 1947

(Jim might have broken some kind of club record by being present on his anniversary.) We also had the pleasure of singing "Happy Birthday" to Hugh DeWees on his day. (Hugh's not saying how many.)

Welfare: Joe Powers is recuperating and is feeling much better. Hurry back Joe. Dr. Rush says, "The rest of us are OK but hardly in "good shape."

Guests: Ron Marek was the guest of Al Gee. Henry Grundling came as Orrie Lawrence's guest. Dick McConnel brought Pytr Knoll and Joe Greenlief introduced his guest, Dave Faltis.

Notice to Committee Chairman: Get your reports in to Bob Dye, so he can include them in his reports.

Future Programs:

August 24th, Lloyd Kraft from the Boy Scout office.

August 31st, John Bachman, WMT-TV Anchorman. Don't forget, this is Ladies Day, so bring your wives or girlfriends along.

Parking Notice: Be careful about parking in "no parking" areas at the Roosevelt. The hotel is presently attaching "boots" to illegally parked cars which render them immovable. It'll cost you \$20 to have it taken off. Hope nobody found out the hard way!

Your Editor,  
John Little

WEEKLY

BULLETIN

## Next meeting: August 24

Mr. Lloyd Kraft from the Boy Scouts will be speaking. Subject will be "Is Scouting Important in these Rapidly Changing Times and Kiwanis International Relationship".

## August 17 meeting:

Ed Colton was back and led us in our usual two verses of America. Ray Vaughn gave the invocation.

The duck has been reactivated for birthdays, and when Doc Fenner fed it, it nearly choked on all that dough. Happy birthday, Doc!

Mr. Mel Meyers, our city's Traffic Engineer, was our guest speaker. Aaron Randolph didn't introduce him, because he said Mel knew everyone already.

During his talk and slide show on the subject "The Cedar Rapids Transportation System" he covered five major construction areas:

1. Westdale Mall - It is estimated that on some days 54,000 cars will be going to and from the mall area.
2. The 16th Ave. Project will include a major interchange at the intersection of 151 and 16th Avenue.
3. Downtown Mall area - the closing of 2nd Street for this project will create some new problems.
4. The Five Seasons Center - A major concern is getting the cars in and out of the parking ramp, on to 380. He mentioned that two of our Kiwanians, McConnell and Steveley, had helped in solving that problem.
5. I-380 Project completion dates are projected as follows:

To 7th and 8th Streets by December '78; to Glass Road by 1980; to Collins Road by 1981.

He pointed out that each of these projects are very important to the traffic flow of our city.

This was a very interesting and informative program.

## Guests

Frank Race's guest was George Crawford from Southwest Miami.

Mike Stroffregen's guest was Terry Aiken, the Regional V.P. for American Federal Savings.

## Anniversary:

Ora Lawrence - August 19, 1931.

## Welfare:

No major problems in this area.

## Attention Wives:

You are invited to the August 31 meeting to hear John Bachman, WMT-TV Anchorman. This is Ladies Day at Kiwanis.

Definition: A good boss is someone who takes a little more than his share of the blame and a little less than his share of the credit.

Nothing is quite so annoying as to have someone go right on talking when you're interrupting.

Your substitute editor,

Bob Dye

August 24, 1977

Next Meeting August 31 - Remember men this is Ladies Day and our guest will be John Bachman WMT-TV Anchorman. From the show of hands it looks like a number of wives will be attending.

Meeting, August 24 - Good to have Lee Taylor back to lead us in our Invocation as well as Dick Landis to lead the table talk in the back corner. Aaron (Robinson) Randolph introduced Lloyd Kraft, National field Representative for the Boy Scouts of America. After a number of ecumenical remarks concerning North Dakota, Minnesota, Sweden, Norwegians, and a Catholic priest, he got to the serious business of Boy Scouts. As to why youth organizations and specifically Boy Scouts are needed, he listed the following statistics:

- There are 4,000 school drop-outs a year.
- moral decay is on the upswing.
- boys from 9 to 12 need the kind of leadership and training provided by the B.S.A.

Mr. Kraft also pointed out that there are 3½ million Boy Scouts in the U.S. and 75 million alumni . . . . That you can keep a boy in Scouting for \$25 a year but that is cost \$9,000 to keep a boy-gone-wrong in a correctional institution . . . . and That from 60 to 70% of Cadets in our major military academies were Boy Scouts . . . . Mr. Kraft expressed great appreciation for the cooperation shown by Kiwanis locally and by Kiwanis Club around the world.

Guests - Dick McConnell's guest was Bill Downey of Sarasota, Florida. Howard Smith had Bill VanOrsdol as his guest, Bill is from Pala Alto, California. Frank Race's guest was John English of Long View, Texas, and Lee Taylor's guest was Richard De Lotto.

Happy Birthday to: Sandy Batchelor, Al Bickel, Clyde Sanborn, and Aaron Randolph.

Anniversaries: Sandy Batchelor - August 26, 1964

Approved for Membership - Charles Krizek. We look forward to Charles' becoming a regular member of our club.

Overdone: Not only was the microphone in working order Wednesday the whole table was wired for sound.

Your Editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

August 31, 1977

Next Meeting, September 7 - "A Mini-Vacation In Iowa" will be the topic explored by our guests, Harold and Mary Spurrier. The Spurriers have a number of slides (60) that may show you a side of Iowa you've never seen before. Sounds exciting! We'll be looking for you.

August 31 Meeting - It was John Bachman Day all over again and John didn't disappoint us. We were happy to see a beautiful group of Kiwanis Queens in attendance as well (God Bless America never sounded so good).

John addressed himself to the question of why television news seems to emphasize so much "bad news". He reminded us that "bad news" is generally of the unusual or unexpected type and that, in itself, makes it newsworthy. It is part of the fabric of life and can't be denied. He also suggested that bad news can help us see the truth about ourselves and could lead to a change if properly interpreted and presented.

John, along with all of the ladies helped make this a memorable occasion.

BOARD MEETING CHANGE: September's meeting will be on the 13th.

"Thanks, Ken" Our treasurer, Ken Rudd is on his way to Indianapolis where he plans to take it easy. He has done a great job for us and we'll miss his smiling face at Kiwanis meetings.

Duane Kurrelmeyer has taken over as Treasurer and you will send dues, gifts and bills to him at the address below:

311 - 28th St. Drive S.E.  
Cedar Rapids, IA. 52403

Health & Welfare: It was great to see Joe Powers back at the Kiwanis meeting.

Anniversaries: Wally Brown - August 31, 1970  
Jim Rasley - September 3, 1947

Welcome Aboard to Charlie Krisek, newest member of Kiwanis Downtown.

## Good Things To Come:

Jim Oetken, this year's fine program chairman has announced the following programs for September:

September 14: A United Way panel composed of Bob Berning, Ethan Sprostan and Velma Stramel will give a visual presentation and provide commentary on the United Way story.

September 21: Our guests will be a Community Theater group presenting the topic: "The World of Carl Sandburg".

September 28: Joe Martelle, program director for WMT Radio will lead us in a "Marconi Birthday Celebration". Honest injun!

Thanks Jim for a good year! (By the way, what did you guys do with Captain Kangaroo?)

Any ideas for fall programs? Be sure and contact our new program chairman, Wally Brown.

Don't forget, next week is Take-A-Friend-To-Lunch-Week, (Kiwansis that is).

Your editor,

John Little

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

September 7, 1977

Next Meeting, September 14: A United Way panel composed of Bob Berning, Ethan Sprostan and Velma Stramel will give a visual presentation and provide commentary on the United Way story.

September 7 Meeting: We met in the long, thin room at the Roosevelt and were led in "America the Beautiful" by Ed Colton with the invocation by Ed Seger. Our special guests were Harold and Mary Spurrier who presented many beautiful slides of the state of Iowa. The Spurriers are head of Travel and Transport Inc. and provide service to travellers all around the world. It was refreshing to see that we have many beautiful and interesting places to visit right here in our own state.

CHANGE OF ADDRESS? If you would like information concerning your address or phone number changed on the back of the Kiwanis bulletin, let Bob Dye know what the changes should be. We'll be updating the information sometime soon.

BOARD MEETING CHANGE! As noted in last week's bulleting, the Board Meeting for September will be held on Tuesday, September 13 at the Roosevelt.

DIVISION LIEUTENANT GOVERNOR INSTALLATION: Perry Hummel will be installed as Lieutenant Governor at the Vinton Country Club on September 13. A number of club members and their wives are planning to attend.

Guests on September 7 included Kerry Mann who was a guest of Don Aanestad, and Perry Hummel of Vinton.

Happy Birthdays to Howard Smith (September 7) and to Henry Gundling September 5.

Health & Welfare: Looks like everyone is pretty healthy. There is that reoccurring rumor that 91.9% of you guys are over-weight!

FUTURE MEETINGS: September 21: A Community Theater group will present an exciting program called "The World of Carl Sandburg".

September 28: Joe Martelle, program director for WMT radio will lead us in singing "Happy Birthday Guglielmo" (Marconi, that is)

BIKE RODEO SEPTEMBER 24: The 1977 Rodeo will be held from 8:30 to 11:30 on the above date at Hoover, Kenwood, Grant Wood and Taylor schools. If you haven't been asked to help, you will be. Everyone who can work is needed if this is to be a success.

Your editor,  
John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

September 14, 1977

Next Meeting: September 21 Our meeting this week promises to be quite refreshing as our guests, a community theater group, present the topic "The World of Carl Sandburg."

Meeting for September 14: Ethan Sprostan and Velma Stramel did a Class A job informing the Downtown Kiwanians about the United Way. The film was well done and helped us realize in a new way the far-reaching effect of this community effort. One begins to see the magnitude of the program when the budget of 1914 of \$21,000.00 is set over against this year's \$1,600,000.00 plus. 112,000 people in Linn county will be helped tremendously by such a generous response. This reaching out is truly an indication of the kind of spirit in the Cedar Rapids community and lends credibility and strength to the thought: "A successful United Way is an indication of a successful community."

Our Guest was Steve Schrader who was introduced to the Kiwanians by his father, Rex.

It's That Time Again. You guessed it! The Bowling Report: The guys started out with a clean sweep, taking all 8 points. Is it true that the shirts are on the way from Hong Kong? Let's hope it's not another slow boat.

Thanks, Kiwanians! This word comes from Bob Dye and Youth for Christ in response to the \$2,000.00 given toward the purchase of a new van. The money represents a lot of pancake flipping, but it was well worth the effort. The van has 6,000 miles on it since June, has made two trips to Minneapolis, two to Chicago, one to Cincinnati, plus daily use around Cedar Rapids.

Perfect Attendance? If you are shooting for that goal, you have just two weeks to make them up.

Tied for Groaner of the Week Award were Jim Oetken's "pencil-behind-the-ear" story and President Dick's "in the red" remark.

Below is the box score for the new member drive. Just a little over three months to go. Let's go over the top!

September 12<sup>th</sup>, 1977

Next Meeting September 28. Our guest will be Joe Martelle, program director for WMT Radio.

September 21 Meeting-After Ed Colton led us in "America" and Bob Dye gave the Invocation, we were delightfully entertained by the Community Theater group under the direction of Polly Casterline. Irv Jensen, Nancy Humphreys and Mick Denniston portrayed "The World of Carl Sandburg" and their special talents made Sandburg's writings even more remarkable. The group's presentation was a twenty-minute condensation of a two-hour show, and left us hoping for the opportunity to see the longer version. Thank you, Polly, Mick, Nancy, and Irv.

Anniversaries and Birthdays: Ken Hunter's anniversary date is September 13, 1972. Ed Seger's is September 9, 1975, while Joe Stenner goes back just a little farther to September 16, 1929. Happy Birthday to Jim Downing and Ed Colton. Jim's is September 20 and Ed's September 25.

Election September 28. Nominees for a one-year term on the Board are: Don Aanstad, Jim Downing, Joe Greenlief, and John Little. Nominees for a two-year term are Rex Schrader and Howard VanderSchaaf.

Bike Rodeo September 24- A report on the outcome of this activity will be printed in a future bulletin.

Guests: Bob Creel was the guest of Ed Colton; Roger Bottazzi was Bill Jameson's guest.

Bowling Report: Wow! The guys have a perfect record this season. For the second week in a row, they took 'em all. For the benefit of those Doubting Thomases, the season really doesn't start next week. Keep 'em rolling, team!

On October 12 we will have our Annual Installation of Officers at the Sheraton Inn with the Social Hour at 6:00 p.m., followed by dinner at 7:00. The cost is \$8.50 per person. Our speaker will be Isabelle Mack-"Cedar Rapids' Own Erma Bombeck."

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

September 28, 1977

Next Meeting October 5th we will have as our guest John Oberthien, candidate for Safety Commissioner.

Meeting for September 28: Our guest was Joe Martelle, station manager of WMT Radio and star of (you guessed it) The Joe Martelle Show. Joe didn't say anything about Guglielmo Marconi's birthday, but he pretty well covered every other subject. The taped "bloopers" had us in stitches. Before the meeting, your editor had some ideas about filtering out some of Joe's stories to include in the bulletin, but my filter kept getting plugged up. So here goes nothing.

Bowling Report: Dale Joseph really poured it on this week with a high game of 256 and a 600 plus series to lead the team to the third sweep in a row.

Guests: Chuck Sherwood was the guest of Bill Jameson while K. Teigen of Minneapolis came as the guest of Arnold Herbst.

Happy Birthday to Joe Stenner, whose day was September 29. Kim Stevely's anniversary was September 27, 1972.

Board Meeting October 4 at the Roosevelt.

On October 12 we will have our Annual Installation of Officers at the Sheraton Inn. The social hour starts at 6:00 p.m., followed by dinner at 7:00. The cost is \$8.50 per person. Our speaker will be Isabelle Mack, "Cedar Rapids' own Erma Bombeck." We will be looking for you and your Kweens at the Sheraton.

Still on the Lookout for prospective Kiwanis members? Don't forget, we are shooting for 20 new members by December 31. The Scoreboard tells the story. Why not get on the phone right now and invite someone to attend!

Sorry to see Grant Williams leave our club, but if you have to, what a way to go! Grant plans to island-hop in the Carribean for a while. Smooth sailing, Grant, and stay out of the Bermuda Triangle!

John Little

WEEKLY  
NEWS  
BULLETIN

October 5, 1977

Next Meeting October 12: The Annual Installation Banquet will be held at the Sheraton Inn with the Social Hour at 6:00 p.m. and dinner to follow at 7:00. The cost is \$10.00 per person. (Sorry, but the original quote didn't include tax and tip.) Speaker for the evening will be Isabelle Mack. Isabelle has delighted Kiwanians with her wit in previous programs and will provide an entertaining evening for Kiwanians and their Kweens. Reservations must be made with Wally Brown or Sandy Batchelor by 2:00 p.m. Monday, October 10.

Meeting for October 5: John D. Oberthien told us why he felt he should be elected Safety Commissioner. Mr. Oberthien, who is presently employed at the Brenton Bank, held the position of Safety Commissioner for six years, has worked for the California Department of Interior and the Iowa State Highway Commission, as well as serving the City of Cedar Rapids for twenty-one years. Points in his presentation included:

- Public servants gain respect by showing respect.  
They must be willing to listen to criticism.
- Appeals from the people should be handled expeditiously.
- Both the Fire and Police Departments need more manpower.
- There should be six to eight persons on the Civil Service waiting list at all times.
- Renovation of old fire trucks must take the insurance rate factor into consideration.
- Maintenance of building and equipment plus courtesy of police officers are high-priority items at the Police Department.

Mr. Oberthien has attended St. Olaf's College in Minnesota, the University of Georgia, and Coe College.

Anniversaries: There were none this week, but because of the Installation Banquet next week's anniversaries were recognized. They include:

Vern Haaland - October 10, 1970

Dick McConnell - October 14, 1964

Happy Birthday was sung to Bob Gable who was born on October 13.

Welfare Report: Bob Rush announced that as of now all members were O.K. President Dick asked for a forecast for next week, but Bob refused. Apparently his license is for a diagnostician but doesn't cover a prognostician.

Guest Nevin Brandon was the guest of his father-in-law, Al Gee.

Bowling Hats off to what may turn out to be the greatest bowling team ever. They continue to lead the league, not having lost a game all season. Looks like a great year for Kiwanians all around!

A Good Week for Bob Dye of YFC: After the Care-athon received \$15,400, Bob was feeling pretty great. On Wednesday Bill Jameson presented Bob with a check for \$5,000 from the estate of Antoinette Newcomer to finish paying for the van, and Bob was almost speechless. Keep up the good work, Bob. Nice going, Bill.

Forwarding Address for Grant Williams:  
2712 N.E. 10th St.  
Pompano Beach, Florida 33062

Note: A round table will be set up at the Roosevelt for those wishing to receive credit for attendance on Wednesday noon, October 12.

Your Editor,

John Little

Next Meeting October 19: Our speaker will be Kiwanian Ed Colton, present Cedar Rapids Safety Commissioner. Ed is up for re-election this year and will address the club concerning his present and future plans for that department.

Meeting for October 12: After a delicious meal of filet mignon, Perry Hummel installed this year's officers as follows:

President: Richard McConnell  
1st V. P. James Oetken  
2nd V. P. Wally Brown  
Secretary: Bob Dye  
Treasurer: Duane Kurrelmeyer

After the Installation, Jim Oetken introduced our guest speaker, Isabelle Mack. Jim managed to get the group in a proper mood by telling an ecumenical joke (only Jim could turn Moses and the Ten Commandments into a funny story).

Isabelle was her usual, delightful self turning junk-drawers and dust-under-the-bed into something laughable. I think we would all agree that laughter is the best medicine and we were treated to a hearty dose of it via Isabelle's sense of humor. Thank you Isabelle, for and reminding us that life can be enjoyable if we look on the lighter side.

Bowling Report: Hats off to what may turn out to be the greatest bowling team ever. They continue to lead the league, not having lost a game. (Editor's note: If this sounds familiar, it is. Its last week's report. I just didn't have the heart to print the truth).

We are expecting the box score below to change soon. Wont't you help?

BULLETIN

October 19, 1977

Next Meeting October 26 Our meeting will center around the officers and committee formations for the new Kiwanis year.

Meeting for October 19 - Kiwanian Ed Colton addressed the subject: "Improving Law Enforcement." Ed questioned the validity of the Police Protective Association as it is presently set up, feeling that it has become too political. Ed doesn't believe that persons in command position should be members. He believes that the present Civil Service procedure is a definite hang-up - that it amounts to non-professionals telling professionals what to do. He also raised the issue of the present pension plan, feeling that it is good only for long-term employees and often forces persons to stay where they are even under unpleasant circumstances. Ed also pointed out that he felt that police should have the right to do custodial questioning and that the evidence thus gained should be admissible in a court of law. Ed closed by reminding us that the public also has rights, mainly the right to feel secure.

Floyd Bergen, who is a candidate for Safety Commissioner, was introduced, and shared a few thoughts.

Anniversaries: Dick Landis - October 16, 1968  
Jim Oetken - October 18, 1972

Birthdays - The Kiwanis Chorus sang Happy Birthday to Ora Lawrence, who was born on October 22.

Bowling Report - Ken Hunter reported that the team is bouncing back and grabbed off two points this week.

Guests - Floyd Bergan was the guest of Kim Stevely. John Little introduced his guest, Sidney Johnson.

Congratulations were extended to Steven Flynn, who was the Kiwanis Rodeo Grand Prize winner. Steve is now the owner of a beautiful Schwinn bicycle. We were happy to welcome Steve's mother, also, as our guest.

## Future Programs

Ron Moore, our November program chairman points out that our programs for November include:

November 2 - Dr. Marvin Maire, Cedar Rapids Superintendent of Schools

November 9 - Jim Davidson of Iowa Electric on the subject: "The Nuclear Power Plant Controversy."

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

October 28, 1977

Next Meeting - November 2. Our guest will be Dr. Marvin Maire, Superintendent of the Cedar Rapids schools.

Board Meeting - Noon, November 1.

Meeting for October 28 - Our program was under the direction of President Richard McConnell, ably assisted by our Lieutenant Governor, Perry Hummel. Perry acknowledged our unsung hero, Secretary Bob Dye, whose plea to all committee chairmen is: "Keep those cards and letters coming," (monthly reports, that is). Perry also suggested someone for his successor. I won't mention his name, but his initials are Charlie McIntyre. Perry gave us a brief report on Vinton's new recreation director, using his inimitable style to blend this into the rest of his remarks.

President Dick then shared a list of committees and their responsibilities. The committees are listed below. Check to see where your name is, as well as who the committee chairman is. If your committee doesn't function the way you think it should, check with your chairman to see why!

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

November 2, 1977

Next Meeting: Our guest will be Jim Davidson of Iowa Electric. His subject: "The Nuclear Power Plant Controversy."

Meeting for November 2nd: Ron Moore introduced Dr. Marvin Maire, Superintendent of the Cedar School system. Highlights of his remarks included the following:

- \*He depends on the team approach to get the job done, but recognizes that the ultimate responsibility is his.
- \*Communication is the key to public support and confidence. Personal contact is extremely important. If local control is to be a reality, participation on the part of citizens is a must.
- \*Finances are still a problem. Inflation contributes greatly to this, but so does declining enrollment.
- \*Attendance requirements are being emphasized. Drop-outs are still on the increase and the problem must be addressed and corrected.

Dr. Maire shared a very comprehensive list of Education Goals and Management Goals and Objectives. By the looks of things, he and his staff are doing a great job.

Bowling Report: The team continues to climb back up. This week they managed to break even by winning 4 out of 8.

Statistics: We didn't count Fred Kluss as a guest obviously since we fined him for not wearing his pin, but it was good to see him at the meeting. We didn't have any birthdays either, but we tried to manufacture one by celebrating Bill Pohorsky's but he would have none of it. I thought I saw B. J. putting money in the duck. Is it possible he forgot his pin or was he just penalizing himself for the appen-duck-tomy joke? If you wondered why Dick and Jim were passing notes behind the "principal's" back, Jim plans to be gone on his birthday and he was wondering if we could have the party a week early. On the serious side, Arnold Herbs' committee has already met and made plans for the year. Looks like he's trying to put the pressure on the rest of us. Not a bad idea.

Kiwanis Conference at Fort Dodge on Saturday, November 12. If you plan to attend, get your reservations in now.

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

November 9, 1977

Next Meeting: November 16 - Our guest will be Juvenile Judge Harstad addressing the subject: "Kids In Trouble - Does Our System Work?"

Meeting for November 9: Ron Moore introduced Jim Davidson, who as Chairman of the United Way urged us all to do our very best. Following this, he moved into his subject - The Nuclear Power Plant Controversy. Indicating he had no quarrel with President Carter's basic stance of energy conservation, he did raise the question of the difference between waste and use, feeling they should in no way be equated.

The central issue, as far as Mr. Davidson is concerned seems to be the "breeder reactor." This type of energy producer, using Uranium 238, creates plutonium, or U239, as a by-product. Production of energy can be effectively produced in this manner but the production of plutonium, in the minds of many, is extremely dangerous, as it is used in the production of nuclear weapons and could be obtained by terrorists for the production of same.

Mr. Davidson, who favors the breeder reactor, points out that they are already being used in England and Russia. Also, the same kind of security used to guard A-bombs already manufactured could be employed to guard the plutonium. (Howard, I hope some of this is clear.)

Bowling Report: The team was a man short, they fought valiantly, but the final result was 0 - 8.

Guests: Dick McConnell's guest was Pytr Knoll, Joe Greenlief introduced John Gaston, Jim Oetken introduced Dick Aune, and Pat McPartland and Al McIvor's guest was Bob White.

Welfare Report: Our best to Jim Rasley who is recuperating nicely and working half days.

Anniversaries - Bob Dye, November 10, 1971

Larry Fishwild, November 6, 1973

A special Happy Birthday to Jim Oetken, who celebrated his birthday a week ahead of time with five cupcakes and a dancing girl (well, not really dancing). Kim Stevely presented our birthday boy with a neat electric pencil! Sure wouldn't want to be around when he plugs it in.

## A Message From Your Membership and Attendance Committee:

To grow - in its most fundamental meaning - is to increase in size. Based on that simple premise, all growth begins with one cell. Reflecting this concept, the growth of Kiwanis began with one man's idea.

Kiwanis, like a growing cell taking nourishment from its environment, reaches out to the men in the community. Every Kiwanis club is a living, growing cell.

Our club's growth will increase whenever we ask members of our club to talk about Kiwanis to the people in our community. This kind of growth produces new talent, brainpower, and manpower, and manpower boosts our club toward greater and more significant community service. Along with such healthy growth comes a greater ability to raise the funds that provide those important services.

The success of our club will be measured at the end of each year by the amount and quality of our growth. At the end of this year, will you as a member be able to say you have given all you could to our club? Will you be able to say that you have personally affected the growth of our club? If you have, then you have gained more than you have given.

Kiwanis Bell Ringers: Our day for the Salvation Army is December 17 at Killian's Downtown. Be sure and sign up. Remember we plan to be #1 this year! The sheet will be passed Wednesday.

Your Editor

John Little

WEEKLY  
NEWS  
BULLETIN

November 16, 1977

Next Meeting: Wednesday, November 23, our speaker will be Dr. Arnold Herbst sharing a Thanksgiving message.

Meeting for November 16: Ron Moore, our November program chairman, introduced Judge Brent Harstad, District Juvenile Judge, who addressed the subject, "Does Our Juvenile Court System Work." He proceeded to tell us that it did not. Judge Harstad, who has had this particular assignment for about six months, recognizes the tremendous responsibility of his position. He indicated that one of the reasons the system isn't working is that it is simply over-loaded. In his own situation, he is responsible for three counties. With three days in Linn County and 2/3 of his case loads being in the area of adoptions and child abuse, 1/3 of his time (1 day a week) is left for juvenile court cases. Since about half the major crimes in Cedar Rapids are committed by juveniles, the resulting over-load is a foregone conclusion.

Judge Harstad is not sure what the ultimate answer is. Another judge and more money for staff would help but they are by no means the answer. A change of approach and a change of attitude, along with a real interest on the part of the public toward kids before they get in trouble would go a long way toward solving the problem. As Kiwanians, our program thrust has always been in the direction of young people. Although we cannot rest on our laurels, we can continue the same emphasis and do our best to make a positive contribution in this area.

Kiwanis Bell Ringers: The sign up sheet still has a number of blank spaces. Our day is Saturday, December 10, at Killian's Downtown. Sign up this Wednesday.

Bowling Report: The score was 2 out of 8, but there were two bowlers missing. (Ed didn't say, but I assume they were from our team.)

Anniversaries: Joe Power November 18, 1951  
Ken Holvenstot November 15, 1959

Birthdays: Happy Birthday to Dick Chandler on November 19 and to Bob Rush on November 15.

Guests: Dave Pomeroy was the guest of Aaron Randolph. (Dave is a Kiwanian looking for a club and we hope he looks no farther.) Joe Stoye was a guest of Dr. Fenner. Joe is a past Lieutenant Governor and we appreciate him and Dave stopping by.

Welfare Report: A good report from Jim Rasley who is continuing to improve steadily.

Attendance Records enclosed: The Attendance Committee has included the 1976-77 attendance record as a part of this mailing. With the exception of a few, all of us have room for improvement. If you are farther down on the list than you had hoped, why not let it serve as a challenge for the year ahead?

Have a great Thanksgiving,

Your Editor,

John Little

November 23

Next Meeting: Wednesday November 30. Our program will feature Lloyd R. Larson, Vice President, Public Relations, Dohrn Transfer Company speaking on "Deregulation of the Transportation System". The program will also include a film narrated by veteran newsman Frank Blair entitled "The Dividing Line".

Meeting for November 23: Our program began with the appropriate God Bless America, led by Ed Colton and a beautiful prayer voiced by Charles McIntyre. Wally Brown then introduced our speaker for the day Dr. Arnold Herbst. Dr. Herbst's message was "Say Thank You, It's Do You A Lot of Good". It would be difficult for me to appropriately summarize a very fine message so let me share some of the key thoughts of the message:

- There is much therapeutic value in the practice of saying thank you.
- Taking one another for granted is a short cut to disaster.
- Understanding between parents and children is a two-way street.
- Thankfulness at this time of the year should include thankfulness that we are living in America.
- If we follow the Apostle Paul's advice, "with thanksgiving, let your requests be made known to God," our requests will be lessened and we realize that we already have to be thankful for.

Thank you Dr. Herbst for a very appropriate prelude to Thanksgiving.

Anniversary: Tom Heabel, November 23, 1972. (Jim Oetken wanted to celebrate with a soft shoe routine but missed the opportunity by one vote).

Birthday: Dutch Schultz' day was November 23.

Guest: Safety Commision Elect, Floyd Bergen was the guest of Kim Stevely.

Welfare Report: Jim Rasley's cast will be off in another month.

Bowling Report: Our bowling team has improved 100%. They won 4 this week as opposed to 2 the week before.

ONE MORE TIME! This time the attendance records are enclosed. If your name is still in the same place it was last week, you can begin next week to improve your standings. We'll be looking for you.

Next Meeting: Wednesday December 7 at the Roosevelt, will be our annual Christmas Program. Our guests will be the Washington High School choir. Program chairman for the meeting will be Howard Vander Schaaf. Kiwanis Kweens are invited.

Meeting for November 30: Our guest was Lloyd Larsen of Dohrn Trucking Company and his subject was "De-regulation of the Transportation Industry". His discussion centered around a film edited by Frank Blair and pointed out some interesting facts and figures. For example: 15,000 carriers are involved in the national trucking picture moving 10 billion packages a year. There are 37,000 communities in the U.S. served only by trucks. Regulation makes trucking companies responsible for serving a number of less financially desirable areas that would not be served were de-regulation put into effect.

Regulations may at first seem contrary to free enterprise but under present conditions they keep the trucking situation economically feasible. Not only does it keep the trucking industry solvent but, Mr. Larsen indicated, they keep small communities economically stable as well.

Thanks to Howard Vander Schaaf for directing "America", to Ray Vaughn for the invocation and to Jim Oetken for chairing the meeting. (Sorry Jim, maybe you'll get to eat next time).

KIWANIS BOARD MEETING Tuesday December 6 at the Roosevelt.

DON'T FORGET YOUR BELL RINGING ASSIGNMENT ON DECEMBER 10th. We are out to get the trophy for raising the most money this year for the Salvation Army.

Anniversary: The date was November 30, 1933 and the celebrant had to be no other than Dr. Clarence L. Fenner.

Birthdays: Charlie McIntyre, was born on November 27 and Dick Landis arrived on December 2.

Guests: Bob Gable's quest was Lowell Galt, Joe Stenner brought Claude Jones and Charlie McIntyre brought Larry James as his guest.

Bowling Report: The report turned up missing. Maybe we can include two next week and add the scores together.

#### Future Meetings:

December 14: Bob Armstrong will serve as program chairman. Our speaker will be Russell Striffler, Chaplain at St. Luke's with the subject: "Chaplain Problems in Our Jail System".

December 21: Program Chairman Dr. Arnold Herbst with guest Rabbi Robert Ourach and "A Word About Jewish Holidays".

December 28: Jim Oetken will serve as program chairman for "A News Wrap-up For 1977". Panel members will include Larry Hightchew and Dave Shay of WMT and Dave Keuter and Frank Nye of the Gazette.

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

December 14, 1977

Next Meeting: Wednesday, December 21, at noon. Dr. Arnold Herbst will serve as program chairman and will present our guest Rabbi Robert Ourach, whose subject will be: "A Word About Our Jewish Holidays."

Meeting for December 14: Thanks to Mike Stoffregen for the Invocation. Ed Colton came through again with America, and, with some electronic assistance, Jingle Bells. Ed will use songbooks, too, one of these days if Kim will tell them where he's hidden them.

Bob Armstrong then cited a few members for misdemeanors, among others, "Jesse" Jameson for robbing from the rich, the poor, and everyone in between. Following this, Bob introduced Chaplain Russell Striffer and Chaplain Associate Robert Rogers of St. Luke's. Chaplain Striffer gave us some background on the chaplaincy program which has developed at the Linn County Jail. It began as the result of the interest of two young clergymen and Chaplain Striffer and now includes participation by Churches United. The hope is that \$15,000 can be raised locally in the next year for support of a full-time chaplain.

Bob Rogers presently spends half-days at the jail, five days a week. His background includes serving as pastor in the United Church of Christ and serving as a chaplain at Ft. Madison for about a year. Bob sees a need for a different kind of jail facility, a full-time chaplain, and an increase in community understanding and involvement.

Congratulations Bell Ringers: As of this writing we are still in first place in terms of fund raising. However, the results aren't all in and there has definitely been an improvement in the weather.

Birthday: Howard Vander Schaaf - December 14

Anniversary: Ron Moore - December 15, 1965

Guests: Robert Omer was the guest of Bruce Thorsen (is it possible we have found another "O" to join Jim?) Bill Jameson brought Sherrif Orlie Workman and Chief Deputy Darold Smith. Stan Zegel was the guest of Mike Stoffregen and Al Swegle was Bob Dye's guest.

Another Big O? But that represents the bowling report and those kind we can do without!

Meeting for December 28: Our guests will be Larry Hightchew and Dave Shay of WMT and Dave Keuter and Frank Nye of the Cedar Rapids Gazette with "A New Wrap-up of 1977."

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

December 21, 1977

Next Program: Wednesday December 28 at noon. Jim Oetken will serve as Program Chairman and will introduce Larry Hightchew and Dave Shay of WMT and Dave Keuter and Frank Nye of the Cedar Rapids Gazette. The above panel will take a look at "A News Wrap-up for 1977". You are encouraged to bring your Kweens and other guests to this very informative and final program for 1977.

Meeting for December 21: After the opening song under Ed Colton's Leadership and an invocation by Ed Seger, Ed C. bravely led us in God Rest Ye Merry, Gentlemen and "The Kiwanis Song". Arnold Herbst then introduced our speaker, Rabbi Robert Ourach who gave a very informative talk on "Jewish Holidays". The major holidays include the Sabbath, Passover, Succoth, Rosh Hashana and Hanakah. Rabbi Ourach pointed out that the Jewish calendar follows the Lunar cycle and has a "leap month" adjustment made every few years. The present Jewish year is 5738. He did a good job of fielding questions which covered a wide range. He extended an invitation to us to attend the Friday evening Synagogue services at 8 p.m. We appreciate his significant sharing on a very appropriate subject.

Bob Rush's Report this week is a one-liner - No anniversaries, no birthdays, no illness. (c'mon Bob, I need more copy than that!)

Guests: Howard Vander Schaaf introduced his son Mark and Richard Conklin from the Marion Kiwanis. Our resident "Persuader" Doc Fenner introduced Bob DeMulenaere. Bob wasn't really a guest, it just seemed that way. Good to have you back Bob.

NOTE TO BOARD MEMBERS: The January Board meeting will be held on Tuesday January 10 at noon.

Bowling Report: Ed says from this point on "no news is bad news". Will we ever hear from the team again?

BELL RINGERS REPORT: We still have the 2nd place Salvation Army Bell. We should know next week whether we get to exchange it for #1 or . . . .

## A CHRISTMAS THOUGHT;

Christmas is love in action.  
When you love someone, you give to them  
As God gives to us.  
The greatest gift He ever gave was the person of His Son,  
Sent to us in human form so that we might know  
What the Father is really like.  
Every time we love or give, its Christmas.

D. E. Rogers

Merry Christmas to you and yours.

Your editor,

John Little

# DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY  
NEWS  
BULLETIN

December 28, 1977

Next Week's Meeting: January 4, at the Roosevelt.

Our guest will be John Krejci, Supervisor in charge of Marketing at the Iowa-Illinois Gas and Electric for the Cedar Rapids District. He will give a slide presentation entitled: "Energy Conservation". January's program chairman is Bill Jameson.

Meeting For December 28: Our guests were: Larry Hightchew of KCRG-TV, Dave Shay of WMT-TV and Dale Kueter and Frank Nye of the Cedar Rapids Gazette. (Jim said he wouldn't shave until I got these right). Included among the top stories for 1977 were:

- The weather which was #1
- Acts of terrorism around the world
- The Panama Canal story
- The ouster of Burt Lance
- The death of Elvis Presley

High on the list of local news stories was the retirement of Ed Colton - Ed Colton and Mary Hartmann. The renewed rivalry between Iowa and Iowa State rank high with the IU alumni.

The program was highly informative and entertaining and we appreciate these men taking their time to share with us. When it was over, many of us did have a warm feeling and not for the reason Mr. Shay suggested either.

THE BIG KIWANIS NEWS STORY OF THE WEEK: Ed proudly announced that the bowling team took all the points this week! What a beautiful way to end the year.

Guests: We were happy to have Esther Armstrong and Betty Little as guests of their husbands; Dawn and Gail McIntyre were guests of their father, Charles; Harold Ward was Jim Downing's guest, (or was it the other way around?); John Siebenmann was the guest of Ed Colton; Floyd Bergen came as Kim Stevely's guest; Robert Omer was the guest of Bruce Thorsen; Don Stoner was the guest of Ed Seger; and Bob Rush had as his guest his son, Senator Bob Rush.

JANUARY BOARD MEETING WILL BE HELD ON JANUARY 10.

Anniversary: Bob Gable December 29, 1954.

## A WAY TO A HAPPY NEW YEAR

To leave the old with a burst of song  
To recall the right and forgive the wrong,  
To forget the things that bind you fast  
To the vain regrets of the year that's past,  
To have the strength to let go your hold  
On the not-worth-while of the days grown cold;

To dare go forth with a purpose true,  
To the unknown task of the year that's new;  
To help your brother along the road  
To do his work and lift his load;  
To add your gift to the world's good cheer  
Is to have and to give a glad New Year.

Your editor,  
John Little
